Dear St. James Academy parents,

Welcome back to school! I hope you all had a wonderful summer, and are ready to kick-off an amazing academic year. With the start of the school year come many different forms to complete; we ask that you please take the time to fill out one more, as this one can generate significant revenue for the school.

St. James Academy would like to receive a rebate based on your grocery shopping. Many grocery stores encourage shopper loyalty by donating a portion of their sales to local schools. All you need to do is link your Club Card to the SJA account; the stores do the rest. With 100% participation, we could easily generate over \$10,000 for the school this year. We are also happy to register grandparents, family, and friends; then we can receive proceeds from their shopping as well!

Please provide your Card Club Number in the box below, and we will register your card for you as part of a group registration. If you prefer to register your own card, please reference the attached instruction document for step-by-step directions. **Cards must be re-registered every school year (after September 1) in order to be eligible.** I know that getting the Club Card Numbers can be a bit of a hassle, but the time invested directly helps with enrichment programs, (i.e the arts, assemblies, P. E. equipment, etc.) technology upgrades and the addition of support staff to further enhance the educational experience of our students, so we are very thankful for your support. Please let me know if you have any questions or concerns.

Best regards,

Christine Denny
