What is ScripNow?
Electronic gift cards are available from many of our retailers, and can be ordered and printed from your ShopWithScrip° account. The ScripNow eCard is delivered to your ShopWithScrip account in minutes when you pay for your order with **PrestoPay** - 24 hours a day, 7 days a week. Print the certificate and redeem it in stores, or copy and paste the code at checkout to apply to an online purchase. You can also order and redeem ScripNow right from your phone using **MyScripWallet.com**.

How do I order ScripNow?
In the **Shop** tab, sort by Card Type and choose "ScripNow" to view all our available ScripNow products. Or, when searching for a specific retailer (i.e. Home Depot, Amazon.com), move your mouse over their logo to view available product types. The ScripNow logo will appear in full color, if available. Click the logo to order. You can also order ScripNow on your mobile device at **MyScripWallet.com**. On the "Order" page, choose ScripNow to list all available ScripNow brands.

How do I pay for ScripNow?
For quick delivery, PrestoPay is recommended. When you pay with PrestoPay, you'll receive your eCard in 30 minutes or less. You can also pay your coordinator by check. This will delay the process since your ScripNow eCard will only be delivered after your coordinator receives your payment and releases your order.

How long do I have to wait after ordering, before I can use my ScripNow?
ScripNow orders paid with PrestoPay are delivered within minutes. You will receive an email confirmation, along with a notification on your dashboard. ScripNow orders paid by personal check are fulfilled minutes after your coordinator releases your order.

What if I don't use the full amount of the ScripNow eCard on my purchase?
It works in the same way that the physical cards do. The remaining balance is still on there to use for a future purchase.

How will I know when my ScripNow is available?
You will get an email letting you know that it is available and instructions on how to retrieve it and print it. You can also click on the Wallet link in your dashboard to see a list of previously printed, and ready to print eCards.

What is PrestoPay™?
You can pay for your gift cards online with PrestoPay™. When you use PrestoPay, your order payment is transferred securely via ACH electronic debit. You won't have to drop off any more checks!

Is PrestoPay safe?
Your PrestoPay account is secured by a 4-digit PIN number you choose when you create your account. Keep that safe to ensure no else can place orders in your name. All PrestoPay transactions go through the same ACH process used by banks and major retailers, and it is very safe.

How do I enroll in PrestoPay?
To enroll in PrestoPay you'll need your bank account number and routing number, along with the account holder information. Once you submit those, in 1-2 days we'll make two small deposits in the account for verification. Log back in and enter those two small amounts to receive an approval code to send to your coordinator. PrestoPay will be activated for your account once your coordinator approves you. Click here to view our Supporter Terms of Use.

Is there a fee to use PrestoPay?
A small, $0.15 charge will be added each time you checkout with PrestoPay.

What is an eGift?
A ScripNow® eGift is an email containing a link to view and print a ScripNow eCard. The recipient receives the email telling them they received a gift from you, and they follow that link to view and print their eCard to be used at the retailer or online.

How do I order an eGift?
