

## Scrip Card Registration 2010-2011

Dear St. James Academy parents,

Welcome back to school! With the start of the school year comes many different forms to complete; we ask that you please take the time to fill out one more, as this one can generate significant revenue for the school.

St. James Academy would like to receive a rebate based on your shopping. Many stores in our community encourage shopper loyalty by donating a portion of their sales to local schools. All you need to do is link your Club Cards, Store Cards, and/or Credit and Debit Cards to the SJA account; the stores do the rest. With 100% participation, we could easily generate over \$10,000 for the school this year. We are also happy to register grandparents, family, and friends -- then we can receive proceeds from their shopping as well!

Please provide your Grocery Card Club Numbers in the boxes below, and we will register your cards for you as part of a group registration. Due to security concerns, we are unable to register debit and credit cards on your behalf, but ask that you *please log on to eScrip.com to register these cards* (reference the attached instruction document for step-by-step directions). Local vendors, including Pizza Port, Brett's Barbeque and Cardiff Seaside Market will contribute up to 5% of your purchase directly to SJA; other stores (including Macy's) will contribute 10% if a registered card is used.

**Cards must be re-registered every school year (after September 1) in order to be eligible.** Last year, we raised almost \$12,000 with our scrip program. These funds directly offset the cost of various arts programs, assemblies, P. E. equipment, technology upgrades and the addition of support staff to further enhance the educational experience of our students. We hope you will take the time to register your cards to support our Scrip program.

Best regards,

Christine Denny and Janelle Whitton
