Dear SJA Parents,

We now have an easy on-line way to place your scrip gift card orders! Visit shopwithscrip.com and enter enrollment code E3DLLD9311LLL. After you make your selections and drop off your payment, the scrip coordinator will place your order and deliver it right to you.

Shopwithscrip is very easy to use. After your on-line account is created, you can easily access all 700+ gift card choices available. No form is needed; your on-line selections will be automatically forwarded.

Scrip orders will be placed at least every other Monday morning, and will be delivered Friday of the same week. Gift cards will be placed in your eldest child's backpack, unless you specify otherwise.

Scrip gift cards are available from many vendors that we all visit every day. Using the gift cards is an easy way to support SJA without spending any extra cash. Vons, Henry's, Arco, Jamba Juice and Starbucks are just a few of the popular options; if you use these retailers anyway, why not pay with scrip and let the school receive the benefit?

We are also offering "SJA Scrip Bucks" which can be redeemed for any gift card offered. This is a great option for teacher gifts!

Please review the offerings at shopwithscrip.com and let me know if you have any questions.

Thanks,

Christine Denny
