

Parental Authorization to Leave SJA Campus

2021-2022

(Optional)

Several St. James Academy children live within a few blocks of our campus. **Return this form ONLY** if you are granting permission for your child to walk home or leave the school campus after dismissal.

This authorizes St. James Academy to allow my child(ren),

(include all names of your children receiving permission) to leave campus unaccompanied by an adult at the end of the school day.

I understand that it is **NOT the responsibility** of St. James Academy to ascertain what my child(ren)'s destination is or what other students are accompanying my child(ren). By giving permission for my child(ren) to leave campus, I relieve St. James Academy of any and all liability.
