

Saint James Academy Preschool
Volunteer Statement of Good Health

Dear Parents/Family Members of Saint James Academy Preschool Students:

Please read and complete this form for each family member who will be volunteering in the classroom this year:

All licensed childcare programs in the State of California are governed by the California Department of Social Services, Community Care Licensing Division. The rules that cover childcare centers are called the Title 22 Regulations.

Reg. 101216 Personnel Requirements

All personnel, including the licensee, administrator and volunteers, shall be in good health and shall be physically and mentally capable of performing assigned tasks.

The good physical health of each volunteer who works in the center shall be verified by:

A statement signed by each volunteer affirming that he or she is in good health.

Statement of Good Health
